

# **RR** **Raventech Racing**

Raventech Racing is hosting a new event in Perth for 2010 in format similar to the SuperLap Battle found in Japan and the US

# **TIME ATTACK BATTLE** **26 April 2010**

## **What is a *Time Attack Battle*, I hear you ask?**

- It's a full day event, hosted at the RAC Driver Training Center
- Each run has a warm up, followed by a timed lap (flying start and finish!)
- A minimum of eight timed runs for each car
- Live results displayed on a BIG screen, showing each competitors fastest time and the top 3 in each class
- Gourmet bbq lunch provided for all competitors
- Vehicles are broken into nine classes (see our website for details)
- Trophies are awarded for class winners and top 3 outright
- Entries are limited to just 30 cars, at a cost of \$270 per car

## ***Customer Survey***

**We care what you think. Please help us fine-tune this new event to make it even better and more fun for everyone...**

- 1) Is it important for you to include your family/partner in a 1-day event (e.g. entertainment for kids, etc)?
- 2) If you could include one more thing in an event like this, what would it be?
